FOR CANBY'S BRIGHT FUTURE**

Canby Community Vision Meeting

Tuesday, September 25th - 7 to 9 PM

New Canby Police Facility

1175 NW 3rd Avenue

Who Should Attend: Everyone from

residents, to business leaders, to community organizations, to volunteers
...all are welcome.

Why? Canby is at a crossroads. Help us shape the future of your town. As we grow and change, how will we keep it a place that you are proud of, want to set roots in, and care about?

What is the Canby Visioning Process?

Please join us for several forums over the next nine months to help the community develop Canby's vision for the future. Tell us your ideas and priorities. Next, community led committees will dig deeper into the most important areas. This will lay a foundation for future investment of time, energy, and funding.
