Job Specific Supplemental Questions

1. If employed, who is your employer and what is your position?

I have served the City of Portland, Portland Fire & Rescue for 20 years. Currently, I am the Chief Fire/Arson Investigator & K9 Handler. I am the highest sworn supervisory officer responsible for the overall and daily operations of the Arson Unit. We are a dual sworn, fire department based law enforcement unit. Previously serving as an Emergency Operations Lieutenant, Firefighter/Paramedic, and Fire Inspector.

2. What are your community interests (committees, organizations, special activities)?

Prior to Covid, I had served the Canby community as: A baseball coach for Canby Baseball, Assistant Coach for Canby Kids Soccer, Peer-to-Peer Instructor for CHADD (Children and Adults with ADHD). I have served various communities in the following capacities: Community Emergency Response Team (CERT) Instructor. Volunteer Battalion Chief - Hubbard Fire District, Reserve Police Officer - Aurora Police Department, Reserve Police Officer - Beaverton Police Department, Volunteer Firefighter/Paramedic - Canby Fire District.

3. What are your major interests or concerns in the City's programs?

As an appointed councilor, I would be at the service of the other councilors and the Mayor. If given a choice, my passion has always been with public safety, community program. I know that Mr. Davis is serving as the liaison to the Fire District, but I would like to assist with that as much as possible. I am also focused on the future development of our community and ensuring that the growth of our town won't exceed the existing infrastructure and ability for the community to adapt.

4. Why are you interested in this volunteer position?

My career is one that is very demanding. Raising children with various behavioral diagnosis has kept me extremely busy. As I have managed these demands and they have lessened over time, my ability to dedicate/volunteer my time has drastically improved. Volunteering has been a constant in my life. I have chosen to take the skills that I possess and apply them to positions that will have the greatest overall effect. This is why I have now transitioned to this opportunity. If I am going to dedicate my spare time, I want to ensure the commitment that I am making is something that will have a greater impact on this community. This particular position will allow me the opportunity to better understand the role of city government at this level and provide me the ability to see first-hand the positive impact we can have on this community. I have lived in Canby for 21 years. I have raised one child in this community, and in the process of raising another. This is my community. However, I am not embedded in the town in a manner that creates unnecessary drama or scrutiny upon myself. As public servants it is imperative that we hold ourselves to a very high standard, have a strong morale compass and maintain an unwavering true north when it comes to conducting the business of this city. I will guarantee that I possess those qualities and have always conducted myself with those traits in mind.

5. Please share your experience and educational background.

I have completed a total of 130 college credits at the Community College Level with a focus on Fire Suppression and Criminal Justice. I have transitioned to pursuing my Bachelors Degree in Criminal Justice Administration. In the course of my career path, I have spent the last 4 years focused on organizational leadership. I have completed undergraduate studies through the International Public Safety Leadership and Ethics Institute, the FBI-Law Enforcement Executive Development Association, the Oregon Executive Development Institute, and the Auschwitz Institute.

6. Please list any other City or County positions on which you serve or have served.

I have not served in any particular governmental paid or volunteer positions with the City of Canby or the County of Clackamas. I was the last service "Acting Chief of Police" for the Aurora Police Department in 2011/2012, serving under the City Council during a period of transition to the Marion County Sheriff's Office.

7. If you were referred by someone, please list.

James X. Davis. While I have not spoken directly to Mr. Davis about my interest in this position, observing him in his capacity as Chief of The Canby Fire District and transitioning to this new role, has motivated me to step up for a new challenge. Mr. Davis has a level of integrity and credibility that I respect tremendously.
