Leaf Drop-off Event Scheduled for Saturday, December 3rd

New weekday drop-off offers additional opportunities for Canby residents.

The City of Canby's Public Works Department will hold a free leaf drop-off event on Saturday, December 3rd, 2022 from 9:00 – 3:00p.

Public Works will accept leaves only, please no sticks or yard debris. Loose leaves will be accepted from trailers or truck beds or bagged in biodegradable, paper bags. The drop-off location will be at the Canby Public Works facility, located at 1470 N Territorial Road.

Jerry Nelzen, Public Works Director, said "The Public Works Department is excited to offer this opportunity again to our residents. Mayor Hodson has been a great supporter of these efforts and has remained diligent about reminding the community to not blow leaves into the streets. The leaf drop-off day allows the City to remain good stewards of those efforts."

Beginning Monday, November 7th through December 22nd, the Public Works Department will also offer weekday leaf drop-off at Public Works every Monday through Thursday between 9:00a and 3:00p, by appointment only. To schedule an appointment, please call Ronda Rozzell, 503.266.0798 or rozzellr@canbyoregon.gov.

"The City of Canby is eager to be responsive to all of our residents and we are excited to offer the weekday leaf drop off," said Jeff Snyder, City of Canby Public Works Supervisor. "We hope the residents utilize this leaf drop off program in an effort to mitigate flooding and reduce overtime due to blocked drains, property damage, and ongoing issues."

The leaf drop-off event and weekday leaf drop-off is for Canby residents only, proof of Canby residency will be required. Please no businesses or contractors.
