#### **16.54.040 Standards and criteria.**

In judging whether or not the zoning map should be amended or changed, the Planning Commission and City Council shall consider the following criteria:

- A.** The Comprehensive Plan of the city, giving special attention to Policy 6 of the land use element and implementation measures therefore, and the plans and policies of the county, state and local districts in order to preserve functions and local aspects of land conservation and development;
- B.** Whether all required public facilities and services exist or will be provided concurrent with development to adequately meet the needs of any use or development which would be permitted by the new zoning designation. (Ord. 749 section 1(B), 1984; Ord. 740 section 10.3.85(D), 1984; Ord. 1514, 2019)

**16.54.050** (Ord. 740 section 10.3.85(E), 1984

**16.54.60 Improvement conditions.**

**A.** In acting on an application for a zone change, the Planning Commission may recommend and the City Council may impose conditions to be met by the proponents of the change before the proposed change takes effect. Such conditions shall be limited to improvements or physical changes to the property which are directly related to the health, safety or general welfare of those in the area. Further, such conditions shall be limited to improvements which clearly relate to and benefit the area of the proposed zone change. Allowable conditions of approval may include, but are not necessarily limited to:

1. Street and sidewalk construction or improvements;
2. Extension of water, sewer, or other forms of utility lines;
3. Installation of fire hydrants.

**B.** The city will not use the imposition of improvement conditions as a means of preventing planned development, and will consider the potential impact of the costs or required improvements on needed housing. The Planning Commission and City Council will assure that the required improvements will not reduce housing densities below those anticipated in the Comprehensive Plan. (Ord. 749 section 1(C), 1984: Ord. 740 section 10.3.85 (F). 1984)

**16.54.070 Record of amendments.**
