“Continue to nurture the Downtown area, as well as the array of services in the area as a whole. I would not like to have to leave town to get things I need regularly, including services.

Continue to support the many events. I think the engagement fosters a feeling of commitment to the city.

Continue to ensure that the downtown area is someplace to live, not just to shop. Having residents around the clock keeps downtown safe and helps keep residents invested in maintaining a healthy downtown.”
