

Cultivating Canby Community Vision

The following community vision was identified from community outreach activities conducted through October 2023.

In 2043...

Housing for all

Canby's safe and livable neighborhoods have a range of housing options that support all ages and income levels, with access to services and amenities. Residents across multiple generations can move in, move up, and age in place, ensuring families live and thrive in Canby.

Supportive and welcoming community

Canby is a place where all people belong and diversity is embraced. Excellent schools, community organizations, and local events strengthen Canby's social fabric. The Canby Community Center and other entertainment and recreational spaces are 'hubs' within the city for youth, families, and seniors to gather and interact.

Diverse and prosperous economy

Canby's economy is driven by a variety of businesses that offer stable employment opportunities and higher-wage jobs that allow people to live and work in Canby. Surrounding industrial and agricultural industries put Canby on the map and continue to cultivate economic opportunity. A vibrant downtown and diverse local businesses provide great destinations and experiences. Residents and visitors enjoy the town's dining, shopping, and historic and cultural attractions.

Resilient public infrastructure

Canby's reliable public infrastructure meets the needs of our growing community. The transportation network prioritizes safety, connectivity, and accessibility, while reducing reliance on Highway 99E for local trips. Residents enjoy a network of complete streets that safely connect neighborhoods to parks, schools, downtown, the Molalla River, and other amenities. Utilities such as water, sewer, stormwater, and power support established neighborhoods and are strategically planned in developing areas of the city.

Network of connected greenspaces

Canby's agricultural heritage and natural landscape can be seen and felt throughout the city. Residents benefit from an interconnected system of parks and trails that promote health, recreation, and accessibility for all ages. Beautiful Wait Park at the heart of Canby is equipped with facilities that support local gatherings. Safe trails and paths, such as the Logging Road Trail, provide access to Canby's natural areas and the riverfront. A dense tree canopy is present throughout Canby, where residents and workers can seek shade while enjoying their natural surroundings.
