MINOR SIGN VARIANCE – TYPE II: APPLICATION PROCESS

1. Prior to submitting an application, all applicants are encouraged to request a pre-application meeting with the City, or the City Planner may determine that a pre-application meeting is necessary after an application has been discussed or upon receipt of an application by the City. To schedule a pre-application meeting, an applicant must submit a completed pre-application form and set of preliminary plans to the City Planner, and after receiving the Planner’s initials, must then make and take 16 copies of the pre-application materials to the Canby Public Works Department to schedule the pre-application meeting. The City does not charge a fee for a pre-application meeting.
2. At the time an application is submitted to the City, payment of all required application processing fees is required. An application will not be accepted without payment of fees. City Staff can provide you with information concerning application fees.
3. Staff will check the application, making sure that it is complete and all fees are paid. Copies of the application materials are also routed to various City/State/County departments, as applicable, for their comments. The City Planner will accept or return the application with a written list of omissions within thirty (30) calendar days of the submittal.
4. Notice of the application is mailed to all property owners and residents within 200 feet of the property. The property owners and residents are given 10 days to submit written comments.
5. Staff investigates the application, including comments received, and writes a decision. The staff’s decision is mailed to the applicant, to the property owners and residents who received the original notice, and to anyone else who submitted comments during the comment period; and opportunity is given to appeal the decision.
6. An appeal must be requested in writing within 10 days of the date the decision notice is mailed. If an appeal is requested, the applicant is required to pay an additional \$1,600 application processing fee to cover the cost of the appeal hearing.

7. Prior to the appeal hearing, the City will prepare notice materials for posting on the subject property. This material will be posted **by staff** at least ten (10) days before the public hearing.
8. The staff report will be available to all interested parties seven (7) days prior to the hearing.
9. The Planning Commission holds a public hearing on the appeal request. Unless the Planning Commission decides to hear the appeal de novo, only testimony regarding items already in the record is permitted, and no new information may be entered. The staff report is presented to the Commission. Testimony is presented by the appellant, the applicant, proponents and opponents.
10. The Commission then makes findings of fact, and issues a decision to either uphold the original decision, modify the original decision, or overturn the original decision. The Planning Commission's decision may be appealed to the City Council.
11. If the Commission's decision is appealed, City Council holds a public hearing. The staff report is presented and testimony taken, as at the original hearing(s). The City Council decides to hear the appeal either de novo, or on the record. The Council may affirm, revise or reverse the action of the Planning Commission in all or in part. The Council may also remand the matter back to the hearing body for further consideration.
