

**You're Invited!**

# **OPEN HOUSE: DOWNTOWN PARKING ASSESSMENT**

**Tuesday, June 10, 2025**  
6:00p - 7:30p

**Cutsforth's Townhall**  
225 NE 2<sup>nd</sup> Avenue, Canby  
entrance on NW 2<sup>nd</sup> near parking lot

The Open House will provide the initial findings from the parking assessment while considering customer-focused parking solutions within the downtown core.

In January 2025, the City of Canby contracted with Rick Williams Consulting (Portland, OR) to complete a parking assessment in downtown Canby. Rick Williams Consulting completed a parking management plan in 2012. The 2025 assessment considers the growth and development which has occurred downtown, along with an updated inventory of both on-street and off-street parking, and data collection for parking occupancy and demand.

As part of this effort, the City of Canby has asked Rick Williams Consulting to include input from the community - residents, business owners, and property owners.

**We hope you can join us. Should you have any questions,  
please feel free to reach out directly.**
