

# Preserve Your Harvest: Tomatoes Made Easy!

July 9th  
1:30 pm

Don't let your tomato bounty go to waste! Join Oregon State University Extension's Master Food Preservers and learn the safe and easy ways to preserve tomatoes using the equipment available right here in our Library of Things. Get ready for delicious, homegrown flavor all year long!

This program was made possible in part by a grant from Oregon Humanities and the National Endowment for the Humanities.

Any views, findings, conclusions, or recommendations expressed in this program do not necessarily represent those of the National Endowment for the Humanities.
