RESOLUTION NO. 1262

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CANBY, OREGON, SETTING FEES FOR SERVICES

WHEREAS, City staff has reviewed the City of Canby's master fee schedule and recommends changes in certain fees to be charged for various services provided by City staff; and

WHEREAS, the proposed fee schedule changes are meant to cover the costs of providing services to the public for which fees are charged and are not meant to generate excess income for the City above the cost of providing the requested service; and

WHEREAS, the Canby City Council held a public hearing on May 17, 2017 to receive public testimony regarding the proposed fee increases; and

WHEREAS, the Canby City Council determined that the proposed changes in certain fees to be charged are reasonable and based upon labor costs and industry standards.

NOW, THEREFORE, BE IT RESOLVED by the Canby City Council as follows:

<u>Section 1</u>: City of Canby fees and charges are revised as shown in Exhibit "A" and adopted as shown in Exhibit "B" (clean version).

Section 2: The fees imposed by this resolution are not taxes subject to the property limitation of Article XI. Section 11(b) of the Oregon Constitution.

Section 3: All fees and charges not revised as shown in Exhibit "A" shall remain at their present amounts.

This resolution shall take effect on July 1, 2017.

ADOPTED this 17th day of May 2017 by the Canby City Council.
