

**Canby Traffic Safety Commission Meeting Minutes**  
**January 11, 2023**  
**Hybrid Meeting**

**Commission Members Present:** Bob Cambra, Jenni Driskill, Clint Coleman, Gary Bryant, Eric VanZandt (Zoom)

**City Members Present:** Traci Hensley, AJ Miller, Spencer Pollack, Brianna Addotta

**Others Present:** Brian Hutchins, Cory Carpenter, Rick Brown

**Meeting Called to Order:** 8:30 am

**Introductions:**

**Review and Approval of Minutes from December 14, 2022**

Motion made by Clint Coleman and seconded by Jenni Driskill to approve the minutes. Minutes approved.

**Citizen Input:**

**New Business**

**Brian Hutchins, Item #1 -**

- On S. 13<sup>th</sup>, Sequoia to Teakwood, the speed limit is 35mph
  - Requesting to lower to 25 to match rest of are
- City owns the North side of the street, and County owns the South side of the street
  - Needs coordination to request County agreement to grant the city request/give permission to change.

**Brian Hutchins, Item #2 -**

- NW 5th and Cedar near Eccles Elementary needs a no-parking notice on Cedar St.
- This needs to be applied to the area before the crosswalk where the sidewalk bumps out into the street (across from the intersection with 5<sup>th</sup>) and extends down to the Carriage Court apartment entryway, where the sidewalk shifts back again. Parking on Cedar blocks visibility to the crosswalk and the crosswalk signal.
  - Gary motioned to paint N. Cedar across from NW 5th with a No Parking notice. Jenni 2nds.

Cory Carpenter and Rick Brown are in attendance to follow up on Larch St concerns.

**Old Business:**

Larch Street -

- The data counter was not out in Dec; in the queue with Public Works for January
- Before/After School, 13<sup>th</sup>/Ivy arterial backs up to 16<sup>th</sup> and Ivy

- ~7 months ago, light @ 13<sup>th</sup> had timing changed, and favors 13<sup>th</sup> over Ivy now
- Clackamas Co responsible for light timing
- Commission can recommend expediting the study of traffic flow/timing at that intersection
- The city has no speed hump policy– generally likes to get neighborhood sign-off to implement

#### **Related to Larch St issues -**

- Canby City limits end at S. Ivy, and 18<sup>th</sup> soon to be 20<sup>th</sup>.
- Ivy is a County street for now, but the city will control from 99 South to the bridge after development is complete, and sidewalks are installed ~Summer '24".
- The state has allowed Cities and Counties to change speed in their jurisdictions; the conversation led to an agreement to make a suggestion to slow Northbound traffic to 30mph at the bridge.
  - AJ will check with Police Chief that he would support that request
- Make a motion for resolution to request County reduces to 30mph at the next meeting
  - Add to Feb Agenda
  - Ask Members to go to the area and visit for discussion in February

#### **Baker St & NW 6<sup>th</sup> -**

- Clint – Can we paint a walk/bike-only area in the asphalt along the edges of the streets?
- Bob – Can we add orange flags to the “No Trucks” signs at Knights Bridge/Cedar and Knights Bridge/Ash?
  - Eric motioned to approve; Gary 2nds
- Spencer will look at NW 6th/Baker
  - Can a stop sign on 6<sup>th</sup> work?
  - Can we mark the edge of the street?
  - What sign options do we have for notices?
  - Add to Feb Agenda

#### **Knights Bridge & Barlow area Weight Limit Signs -**

- Bob/Gary to review and advise at Feb meeting
- Spencer will find a County contact for Gary to talk to about sign concerns

**CIP Budget:** Look at CIP for discussion in February

#### **Red Flex system -**

- In Progress. Bob is coordinating meetings with the police and will update the group in February

**City Staff Reports:****Officer Miller:**

- ODOT Traffic Safety Meeting
  - 99/Berg Pkwy, lots of illegal lefts around construction
  - Locust/99 people not stopping for flaggers
  - Installing dry wells all down 99, 25ft down
  - Potholes – K&E is trying to fix them in the interim

**Planning Department Brianna Adotta**

- Backstop Brewing to occupy old Canby Herald newspaper building
- Planning Commission changes; Jason Patton, Dan Ewert is Vice Chair, Matt Ellison as Chair
- Traffic System Planning (TSP) is in progress. Traffic Safety Commission (TSC) should be contacted to be in study groups

**Public Works Spencer Pollack**

- Getting ready to go down Ivy for power vaulting – after Township traffic should get better, takes about two weeks
- Dry well on n. Knox to help with flooding

**City Council Traci Hensley**

- New members joining Council
- Planning Commission and Budget Committee still have openings

**Members Reports:****DeAnna Ball**

- Flagging issues with current construction merge warnings on 99
  - Spencer will get a copy of the ODOT plan and confirm they are meeting the requirements laid out

**Jenni Driskill**

- I had concerns about 99E, addressed above.

**Gary Bryant**

- Weight Limit signs for Knights Bridge – in process and noted above

**Bob Cambra**

- Very large trees with an excessive overhang over streets shared images of some bigger concerns
- Discussion: No City ordinances address foliage above 10 ft; perhaps it could be amended to not have a height limit so concerning situations can be issued a notice by code enforcement to address proactively.

**Jackie**

- Absent

**The next meeting** is scheduled for Wednesday, February 8, 2023, at 8:30 am. This meeting will be held by Zoom and at the Public Works Building.

**Meeting Adjourned at 10:00 am**
