

Canby Traffic safety Commision Meeting Minutes

Nov.8th 2023

Hybrid meeting

Commission members Present: Bob Cambra, Spencer Pollack, Clint Coleman, Gary Bryant, DeAnna Ball-, Jenny Driskill.

City members Present: Tracy Hensley, Brianna Addotta.

Others Present: William Doversberger, Amanda Hayes, Jeff Aden, Justin McArthur, Matt Zacher.

Introductions:

Review and Approval of Minutes from Oct.11th , 2023

Citizen input (explanation of TSC duties to concerns).

Jeff Aden, concerns about Speeding on N. Locust @ Territorial & 22nd. How to slow down traffic ?.

Spencer Pollack, brought out Speed /Counter device to show citizens.

Amanda Hayes lives at 339 N. Knights Bridge and has property damage as a result of speeders losing control of veh. and ending up on her property. One incident where the veh. was up side down in her front yard. Her freind (and neighbor) Jollie Ferrel came to confirm her concerns.

William Doversberger ,has issues about blind intersection @ 4th & NE Knott. Witnesses stop sign violations and cross walk not

marked. .

Justin McArthur, HOA member, has issues with speeders at NW 2nd ave where the road travels down hill and goes into gradual turn..He's requesting a reduction of speed limit from 25 mph to 15 mph.

City input report :

Chriss Ann appointed full time code enforcement.

Notice of community "Meet and greet" ,city administrator has three candidates.

Old Business:

Review of traffic study ,N. Juniper (1300 N. Juniper) found small number are speeding.

Matt Zacher's observation on line near Canby rental (Elm & 2nd) had something to say about four way stop ,capital improvement, not worth the expense. Clint made motion to paint curb to discourage parking @ corner of N. Elm and NW 2nd.

Police report :

The concentrated effort of our police dept. on Berg way /S.13th is slowing down drivers.

Public works:

Two new truck route signs are in place at S. Ivy and hopefully visible for commercial drivers to see..

Leaf drop off sites are being set up,public needs to contact city for

locations.

Also, road work on 99E will continue ,even with last minute notice to city.

It was brought up to have the city sponsor a web site on "Canby Now" addressing traffic safety education (facebook or ??)

Planning dept.

Summitt meeting library approved food carts at Millard tire site.

Board member DeAnna Ballasked about "lights at cross walks", Spencer needs specifics.

Another topic re: speed monitoring , temporary lights have a life expectancy of 25 months, the warranty on the units expire in 24 months , and they are expensive.

Our meeting ajourned at 0950
