99X Survey Question #6:

On the 99X Weekend schedule, what do you like and dislike?

"Me gustaria no tener mucho tiempo de espera": "I would like not to have a long waiting time"

"Me gustaria horario de la Manana": "I would like morning hours"

"Me gustaría horarios temprano": "I would like early hours"

"Tal vez las horas pueden ser más tarde": "Maybe the hours can be later"

"No me gusta esperar tanto y me gusta que los conductores sean amables.": "I don't like to wait so long and I like that the drivers are friendly."

"Not frequent enough on weekends, but not against a sunday schedule that would match the current saturday schedule"

"More early and late times to O.C."

"Pay by App"

"I hate the schedule"

"Easy to use"

"Not sure. I ride Mon-Fri."

"I like that it runs on the weekends. What I don't like is that the times North and Southbound are really spread out."

"I like that there's service all the way to Woodburn on Saturdays Dislike: no Sunday service. Even hourly Sunday service that ran just between Canby and Oregon City similar to the service hours on Saturday would be nice if funding could be secured."

"Simplicity and service"

"It's a good schedule"

"I don't like that it runs once an hour."

"I prefer the weekend to open the loop bus because I prefer they have like different hours like the one in canby the 99x bus"

"Leave it the same"

"Free"

99X Survey Question #7:

Any Comments or Suggestions?

"Samgan en menos tiempo para no espere mcho": "(unknown) in less time so you don't wait too long"

"Gracias por su apollo": "Thank you for your support"

"ningono": "none"

"Me gusta el servicio del CAT": "I like the CAT service"

"Later saturday service"

"Reduce overall trip"

"Cancel the program they are wasting my tax dollars"

"I'm happy with the way the schedule is."

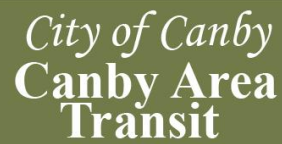

"Not as of yet but thank you for all your hard work!"

"Thanks for giving me the opportunity to take this survey! I've never used CAT but I live in Oregon City and take TriMet, so it's good to know that it's there if I need to take public transit to Canby or Woodburn some day. I thought I'd also mention that I have an uncle who lives in Canby who used to work in Portland and he used CAT and TriMet to get to and from his home. He has his own car but doesn't really like driving outside of Canby or dealing with freeway traffic, and he lives right off of 99E near Fred Meyer so the 99X was very convenient to him."

"N/a"

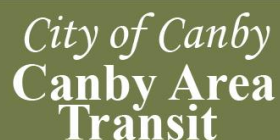

"More stops and make some of the stops on 99E safer."

"Leave things as they are"
