## City Council Staff Report

DATE: December 1, 2021  
TO: Urban Renewal District Chair Varwig and Commissioners  
THRU: Scott Archer, City Administrator  
FROM: Scott Archer, City Administrator  
ITEM: Urban Renewal District Potential Projects

---

### **Summary**

City of Canby staff will present a list of projects that remain unfinished from the Urban Renewal District plan.

### **Background**

In April 2021, the Finance Director presented to the Canby Urban Renewal Agency refinancing the refinancing of Urban Renewal debt. The debt refinancing saved the City of Canby approximately \$6,000,000. At that time, the Urban Renewal Agency asked staff to explore which projects could still be constructed within the timeline of the close of the Urban Renewal District.

During summer 2021, the Urban Renewal Agency participated in a presentation and discussion with city staff from Finance and Public Works. The discussion revolved around the list of potential projects previously identified within the Urban Renewal Plan. The discussion identified two main projects for consideration: Logging Road Bridge beautification and access and Highway 99E beautification.

### **Discussion**

City staff will present a brief review of the projects remain incomplete from the Urban Renewal plan. The discussion will explore which projects the Urban Renewal Agency would like staff to pursue. In the past, the Urban Renewal Agency requested staff consider beautification and access for the Logging Road Bridge and beautification efforts along Highway 99E. City staff has discussed those projects and identified first steps to put the projects into motion.
