

Help Protect Our Environment

Storm Drains lead to rivers, lakes, streams, and ground water. ***Storm Drains are designed for stormwater runoff only*** to prevent flooding in our streets and parking lots.

KEEP STORM DRAINS CLEAR OF:

- Pesticides
- Grass clippings
- Fertilizer
- Leaves
- Trash

NEVER DUMP IN STORM DRAINS:

- Motor oil
- Paint
- Chemicals
- Pet waste
- Soapy water

Do your part to help Protect Our Rivers, Lakes, Streams, and Ground Water
